## TRAP RULES

For safety and common sense

1. Shot size # 7 1/2, #8, #9 only.
2. Gun open always when not on line.
3. Gun pointed down range always
4. Keep guns in rack or car when not in use.
5. Eye and hearing protection are REQUIRED.
6. When moving from one position to another on trap line, gun must be unloaded and open.
7. Shooting stops and guns cleared for red light or flag on the trap house.
8. No one under the influence of alcohol or illicit drugs may handle firearms or utilize the range for any purpose.
9. Any member may call a "cease fire" and enforce any of these rules for safety's sake. On "cease fire" guns must be unloaded and open until the safety issue is resolved and "all clear" is called by the range officer or squad leader.
